Dear teacher preparation educators and voting members across CCC's,

I hope this email finds you well! Per the Los Angeles Regional Consortium (LARC) process, I am contacting you to share that the Education department at Pasadena City College is in the process of applying to establish an Educational Aide Career Technical Education certificate (Top Code: 0802). We hope that this certificate will better prepare educators as they make a difference with their students.

Please be sure to reach out if you have any questions or thoughts (please don't 'reply all').

Thank you for the great work that you do with your students.

Best,

Leticia Rojas, Ed.D.
Education Department, Chair and Instructor
Hixon Teacher Preparation Program, Coordinator
