

Business and Paralegal Advisory Team Meeting

Wednesday, February 28, 2024

Time: 6 – 6:30 pm

Members in attendance:

Dr. Anne Cremarosa, Dr. Marie Comstock, and Bob Bryant

This was a special Zoom meeting to get a vote on the proposed Associate of Science degree in Professional Studies. Everyone in attendance approved the new degree proposal.

Now, Marie and I contacted the remaining members either by in-person, telephone, or by text messaging. Many of them stated that they saw the importance of the opportunity to stay local and earn a degree that could help students become successful in the workplace or transfer to the university of their choice.

All the following members were contacted and voted in favor of the new degree proposal:

Dave Silva, Sammy Robinson, Veronica Delgado, Fred Carbone, Earl Murray Jr., Chris Silva, and Marc Gatson.

Therefore, a total of 10 members were in favor of proposal of the new Associate in Science degree in Professional Studies.

There were zero “No” votes or “abstain” votes.

Those in attendance had no questions or further comments, so we adjourned our meeting at 6:30 pm.
