You don't often get email from lcornett@laspositascollege.edu. [Learn why this is important](#)

Hi Laura,

I don't remember if I got back to you regarding the certificate courses being sent to BACCC. I wanted to make sure that I could give the go-ahead for them, and it seems that I have the authority to back them.

I think the certificate programs look very practical and effective. We don't have any programs like that here currently so there would be no overlap.

Thanks!

-Laura

Hi Laura,

They do have to be approved at BACCC before heading to the state to ensure there is no overlap with other colleges in our area.

Thanks so much,

Laura Forlin (Pronouns she/her)

Hi Laura,

Because I am new to being Curriculum Coordinator, I don't know anything about BACCC. I think the certificate programs look great. Do they have to be approved by BACCC before they are available?

Thanks!

-Laura

Hi Beth and Laura,

I'm reaching out to both of you as the co-chair of Landscape Horticulture at Merritt College. We are about to have 2 new short-term certificates move from the college to BACCC and we want to get ahead of this by securing your ok for the certificates. Beth is aware of these - we developed these certificates specifically for Oakland Public Workers employees. The goal is that the newly hired public worker employees can advance their knowledge and wage earning potentials by taking college classes. I've included both certificate outlines here. Can you let me know in writing that you are both ok with us advancing these to help us expedite the BACCC process?

Thanks so much!
