

Multimedia: Graphic & Web Design COA
Multimedia: Graphic & Web Design Associate Degree

Explanation of minor Program Modification:

BOTH the AA and Certificate in this area are making the following changes to align with CSU Transfer and Industry standards.

1. We are adding Art 502 existing course our District and at LAMC that students need as an undergrad requirement for transfer to CSU
2. We are adding the new course, which has been approved at LAMC, Multimedia 245. This is a lower division requirement at 9 of the CSUs in Graphic Design. It is a beginning Typography.
3. We are moving 3 courses into an "option" area of the degree and certificate depending on which professional pathway a student wants to focus on.

All units are the same, Name of Programs are the same...
