

Consultation with Colleges in the Los Angeles Region Offering a Medical Assistant Program

Date Contacted	College	Contact Name	Response
Email sent 10/11/22 Response 10/11/22	Pasadena City College	Dr. Micah Young	Requested information on occupations we are targeting. I responded informing him that the program will target high school students with a pathway to stackable awards. The occupations we are targeting are medical offices and hospital settings.
Email sent 10/11/22 Response 10/11/22	Los Angeles Pierce College	Mon Khat	The faculty will not have an issue. They are focused on the RN program right now.
Email sent 10/11/22 Response 10/12/22	Los Angeles Mission College	Marla Uliana	The faculty have no issues or questions at this time and they offered to share curriculum.
