Hi, Cindy. Will you forward this inquiry to the appropriate faculty? I hope to make more connections between Music and Digital Post Production, but for the moment, it's all outside of our department. :)

Thanks,

Brian

CAUTION: This email originated outside SMC.

Hello,

My name is Christine Gengaro, and I am a teacher over at Los Angeles City College. We are in the process of creating a certificate program that has a bit of overlap with the Digital Audio Post-Production certificate offered at SMC. We wanted to get in touch with the folks over there who have put this program together. I didn't see particular contact people for this program on the website, so I was hoping you might be able to forward this email to the appropriate people.

Thank you so much for your assistance.

All best,
Christine
